## 🌿 *News from the Memorial Garden* 🌿

In the past few weeks, work at the memorial garden has been taking place by volunteers. They found that taking on one “bed” at a time produces the best results. Work is ongoing and “all” volunteers are welcome. If you have plants to donate or hands to volunteer, feel free to call 369-9810 for more information.

Have a great summer!

In Memory of Lee Walter Ward, who passed away 6 years ago on August 18

When Tomorrow Starts Without Me

When tomorrow starts without me please try to understand  
That an Angel came and called my name and took me by the hand.  
The angel said my place was ready in Heaven far above  
And that I'd have to leave behind all those I dearly love  
But when I walked through Heaven's Gates, I felt so much at home,  
For God looked down and smiled at me and told me "Welcome Home"  
So when tomorrow starts without me, don't think we're far  
apart  
for every time you think of me, I'm right there in your heart.

From Helen, Mary Beth, Jody, Sandra, and Families

In memory of Archibald “Buck” Carson who passed away on  
August 3, 2018

You passed away so suddenly  
We did not say “Good-bye”  
But brothers can never be parted, Precious memories never die.

Lovingly Remembered Everyday  
Holley and Valerie

# *In Loving Memory of Glen Johnston*

*April 15, 1942 –  
August 17, 2018*

Its been the hardest thing to lose you

You meant so much to me

But you are in my heart my love  
And that's where you'll always be

I know that Heaven called you  
But I wish you could have stayed  
At least the memories I have of you

They will never fade  
I did not want to lose you  
But you did not go alone  
Because part of me went with you  
When Heaven called you home  
So just remember one thing

We are not apart  
You're with me in my memories  
And in my broken heart

All my love, Amanda

You held my hand when I was small, You caught me  
when I fell

The hero of my childhood and later years as well  
To lose you was a bitter wrench, the pain cut to my  
core

I cried until my tears ran out, and then I cried some  
more

Every time I think of you my heart just fills with  
pride,

And although I'll always miss you, I know you're by  
my side

In laughter and in sorrow, In sunshine and in rain,  
I know you're watching over me until we meet again

Loved and missed every day,  
Joanie

We think of the things you used to say  
And all that you would do  
At some point, every single day,  
Our thoughts will turn to you

This wouldn't be your wish for us  
That we'd ever be sad  
So we try to remind ourselves  
Of the happy times we had

I know we can't be with you now  
And you can't be with us  
But safe inside our hearts you'll stay  
That's where you'll always be

Missed more everyday  
Marissa, Chloe & Maisie
