The family of the late  
*Laverne Vivian Deborah (Debbie) Case*

would like to extend our heartfelt thanks to  
our family and friends for their love and  
support during our devastating loss.

The meals, phone calls, cards and the  
condolences were so greatly  
appreciated. The amount of people who  
grieved with us, truly showed how much  
Mom meant to them and how much she will  
be missed. Extra special thanks to the  
doctors, nurses and the staff at the Saint  
John Regional Hospital.

Your kindness will never be forgotten.

## CELEBRATION OF LIFE

The family and cherished  
partner of the late

*Lloyd Calhoun*

of Bloomfield Ridge would like to  
invite you to a celebration of his life  
on Saturday, July 6, 2019, 3-5pm

At  
Ridgeway Baptist Church

3313 Rte 625, Parker Ridge, NB.

In Loving Memory of My Son

*Dereck Munn*

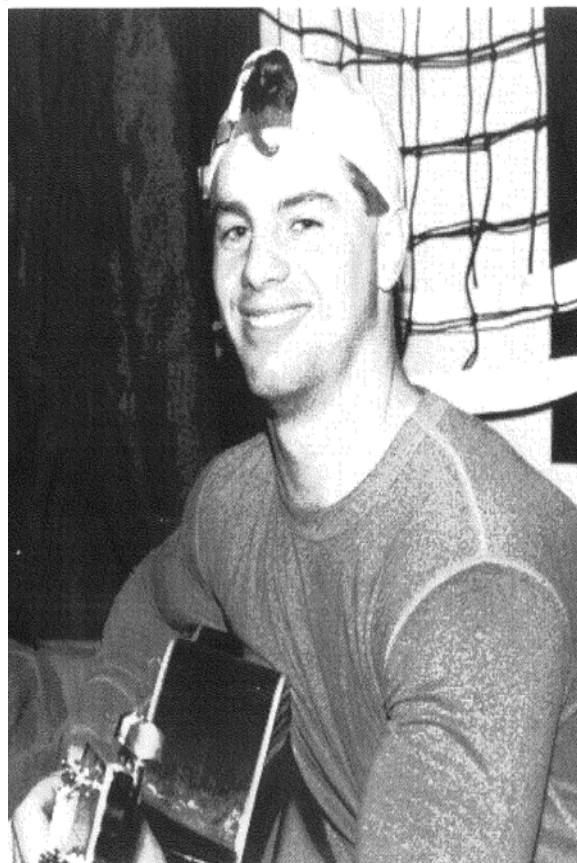

who left this world July 1, 1999

It's hard to believe that its been 20 years that  
you've been gone, to me it seems like yesterday  
most of the time. I think of you every single day.

Till we meet again

I love you and miss you,

*Love Dad*

In memory of

*Vance Wood*

who went to his heavenly home June 14, 2009

Our lives go on without you  
But nothing is the same  
We have to hide our heartaches  
When someone speaks your name  
Sad are the hearts that love you  
Silent are the tears that fall  
Living without you is the hardest part of all  
You did so many things for us  
Your heart so kind and true  
And when we needed someone  
We could always count on you  
The special years will never return  
When we were all together  
But with the love in our hearts  
You walk with us forever.

*Lovingly Remembered by Lillian & Family*

In Memory of  
DARRAH LONG  
July 23, 2018

If roses grow in heaven Lord  
Please pick a bunch for me  
Place them in my brothers arms  
And tell him they're from me

Tell him that I love and miss him  
And when he turns to smile  
Place a kiss upon his cheek  
And hold him for awhile

Because remembering him is easy  
I do it every day  
But there is an ache within my heart  
That will never go away

Loved and missed by  
(Sister) Susan & Manny  
(Niece) Sarah & Brian  
Jeremy, Kinley & Brayden

Over \$5,200 has been raised in the  
memory of Sterling McKeil towards  
the Central NB

This is a combination of his 75th

Thank you so much!

# RMTACT

Are you a frequent user of Massage Therapy? Do you enjoy your massages with your Registered Massage Therapist? Help your RMT in the fight to remove HST from Registered Massage Therapist Services. Massage Therapy shouldn't play by a different set of rules. RMTs are qualified, educated, and regulated—and their work has big payoff for patients.

Historically, health care services rendered by registered health practitioners specified in a schedule of the federal Excise Tax Act are non-taxable health services. Regulated health professions with HST/GST exemption include chiropractic services, chiropody services, naturopathic services, psychology services, optometric services and physiotherapy services.

With the regulation of massage therapy coming into effect in Prince Edward Island in March 2019, massage therapy will now meet the criteria to become part of this list, as the profession is regulated as a health profession in at least five provinces or territories—Ontario, British Columbia, New Brunswick, Newfoundland & Labrador and now PEI. But we need to ask the federal government for this change, so that RMT services are specified as tax exempt like other health professions.

## Share These Facts

It is important that we reach as many Canadians with our message about the important role RMTs play in Canada's healthcare system. Whether they are colleagues, family or friends, we want them to know the facts about massage therapy.

### **Integration.**

RMTs don't work in a silo—they are an important part of a patient's health care team, working closely with allied providers to offer quality health care and improved health outcomes.

### **Knowledge.**

RMTs help address injuries and ailments that stem from the course of everyday life, including workplace or ergonomic injuries, athletic injuries, stress, and anxiety.

### **Fairness.**

Services provided by other health professionals, such as chiropractors and physiotherapists, are already exempt from HST/GST.

## Spread The Word!!!

As the saying goes, there is strength in numbers. We need every Registered Massage Therapist in Canada to join this community and spread the word about the positive impact RMTs have on their patient's lives. But it doesn't stop there. We also need you to reach out to your friends, family and colleagues to join our community as we push for change in the coming weeks and months. More info available at [RMTACT.ca](http://RMTACT.ca)
