Time Will Ease the Hurt

The sadness of the present days
Is locked and set in time
And moving to the future
Is a slow and painful climb

But all the feelings that are now
So vivid and so real
Can't hold their fresh intensity
As time begins to heal

No wound so deep will ever go
Entirely away
Yet every hurt becomes
A little less from day to day

Nothing can erase the painful
Imprints on your mind
But there are softer memories
That time will let you find

Though your heart won't let the sadness
Simply slide away
The echoes will diminish
Even though the memories stay

Ridgeway Baptist Church

Due to the current situation with Covid-19 we will not be conducting Services at Ridgeway Baptist Church for a while.

How long? We do not know.

Here is our Action Plan for the next while:

You will receive an invitation to participate in a "Zoom" Worship Service for Sunday morning during our regular worship time at 10:30 am. There will also be an invitation for Bible Study on Wednesday evenings at 7:00 pm. You can connect by internet on your laptop, desktop and iPad.

If you do not have these you can also connect by phone. The details can be provided for those connecting by phone.

There are limited spaces and we are seeking to accommodate each of you as you reach out to join us. Please let me know if you would like to join us for a Service.

We will have an informal time together. It will be new for many but it will grow as we move forward. Sit back, relax, enjoy your coffee/tea and worship with us.

Thank you for your patience as we work through these times. God is good. Let us be faithful in "holding forth the Word of Life".

How God Created Mother

A decorative border on the right side of the poem, featuring a vertical stem with pink roses and green leaves, and a cluster of pink roses and butterflies in the center.

God took the fragrance of a flower,
The majesty of a tree,
The gentleness of morning dew,
The calm of a quiet sea,
The beauty of a twilight hour,
The soul of a starry night,
The laughter of the rippling brook,
The grace of a bird in flight,
Then God fashioned from these things
A creation like no other,
And when His masterpiece was through,
He called it simply...MOTHER.

Author Unknown—Happy Mother's Day

A landscape photograph showing a calm body of water in the foreground, a dark forested shoreline, and a range of rugged mountains with patches of snow in the background under a blue sky with light clouds.

He
restores
my soul.

He makes me to lie down in green pastures; He leads me beside the still waters. He restores my soul; He leads me in the paths of righteousness for His name's sake.

Over North News May 2020 Edition

In Loving Memory of
my Wife,
Louise Price.

April comes with deep regret
The 26th day I will never forget
A leaf in the book of memories,
Is gently turned today
The sorrow placed upon that page
Is as fresh as yesterday
The flowers and leaves may wither
The golden sun may set
But the hearts that love you dearly
Are the ones that won't forget
Forever loved & missed

BRUCE, BRIAN: In loving memory of
Brian Bruce, who passed away April
26, 1996.

There is a home not made by hands
Beyond it's golden door
Awaits the one who's now away,
Not lost just gone before.
And in that home not made by hands
The master will prepare
A place for us, and when He calls
We'll meet our loved one there.
Always loved and remember by Dad,
Meta and families

Great Grandmother

Who left us one year ago on April 16th, 2019

Our lives go on without you

But nothing is the same

We have to hide our heartache

When someone speaks your name

Sad are the hearts that love you

Silent are the tears that fall

Living without you is the hardest part of all

You did so many things for us

Your heart was kind and true

And when we needed someone

We could always count on you

The special years will not return

When we are all together

But with the love in our hearts

You walk with us forever

In Loving memory of my dear wife, Frances Stewart, who
passed away on April 10, 2013.

Remembrance is a golden chain
Death tries to break but all in vain
To have, to love and then to part
Is the greatest sorrow of one's heart
Time may wipe out many things
But this they wipe out never
The memory of those happy days
When you and I were together

Always loved and sadly missed
by husband, Todd Stewart

*Her smiling way and pleasant face
Are a pleasure to recall
She had a kindly word for each
And died beloved by all
Someday I know I'll meet her
Someday, I know not when
To clasp her hand in the better land
Never to part again*

*God looked around his garden
And he found an empty place
He then looked down upon this Earth
And saw your tired face
He put his arms around you
And lifted you to rest
God's garden must be beautiful
He always takes the best*
